About e&

Since 1976, we have pioneered new technologies and brought these to new people and new places. First as the Emirates' telephone company, today as the technology and investment group, e& (previously known as Etisalat Group).

Established in Abu Dhabi, the Group provides innovative digital solutions, smart connectivity and next-generation technologies to a variety of customer segments including 163 million subscribers in 16 countries across the Middle East, Asia and Africa. With consolidated net revenue of AED 52.4 billion and net profit of AED 10.0 billion for 2022, its high credit ratings reflect the Group's strong balance sheet and proven long-term performance.
